WEST CAMPUS
Hendersonville High School

Foreword

"Tick-tock, tick-tock"—back and forth—back and forth—has swung the pendulum of the old school clock, counting out the seconds and minutes, hours and days of that priceless commodity we call Time! Quickly the hours and days have turned into weeks and months until the old clock has measured out for us almost another school year—nine golden months which were ours to spend profitably or to idle away.

The 1955 LAUREATE is a record of our use of this precious gift of Time—a record of achievements, honors, hard work, good times, and learning at Hendersonville High School.

We live up in the mountains of Western North Carolina on a plateau between the Blue Ridge and the Great Smokies. We love our mountains and we're proud of our home town!!

Hendersonville, the thriving county seat of Henderson County, is a hospitable, friendly, cosmopolitan place in which to live. The beauty of the countryside appears as if it had been deliberately landscaped by some superhuman artist. We're proud to call Hendersonville and Henderson County our home because of its well-rounded industrial, agricultural, recreational, and cultural development.

Hendersonville is surrounded by children's camps, church assembly grounds, hotels, motels, and way-side resorts. This causes our town to enjoy the reputation of being "North Carolina's Tourist Capital" and consequently draws thousands of visitors from practically all 48 states, Canada, Cuba, Mexico, Canal Zone, Puerto Rico and a number of foreign countries.

Small, diversified industries which produce print cloth, sanitary gauze, yarn, hosiery, thread, cord, paper boxes, handbags, rugs, brick, automatic office equipment, electrical appliances, and other specialties thrive here because Hendersonville is in the "Heart of the Industrial South."

Hendersonville and Henderson County is an "Agricultural Wonderland" because bountiful crops of snap beans, pole and lima beans, cabbage, potatoes, peppers, cucumbers, squash, corn, dairy products, poultry, apples, flowers, and forestry products come from the fertile fields of surrounding farms.

Yes, Hendersonville is our home! We are richly blessed for having been given the opportunity of growing up and going to school in such a well-balanced and friendly community which is recognized nationally for its many outstanding qualities.

LATIN CLUB

The purpose of the Latin Club is to give second-year students an idea of the culture of the ancient Romans. At meetings, plays in Latin, bulletin boards pertaining to Rome, Latin quizzes, and Latin legends help to teach the Roman culture.

SPANISH CLUB

Spanish students learn more about the history and culture of the "south of the border" countries through its meetings. Games and food add to the enjoyment of the get-togethers.

FRENCH CLUB

Besides aiding the student in speaking, reading, and writing French, Le Cercle Francais also affords the opportunity for a broader knowledge of the history of the country and its people.

F. F. A.

We are the Future Farmers of America. Upon us rests the responsibility of helping build a fruitful and prosperous nation for tomorrow. We must learn now in order to know tomorrow.

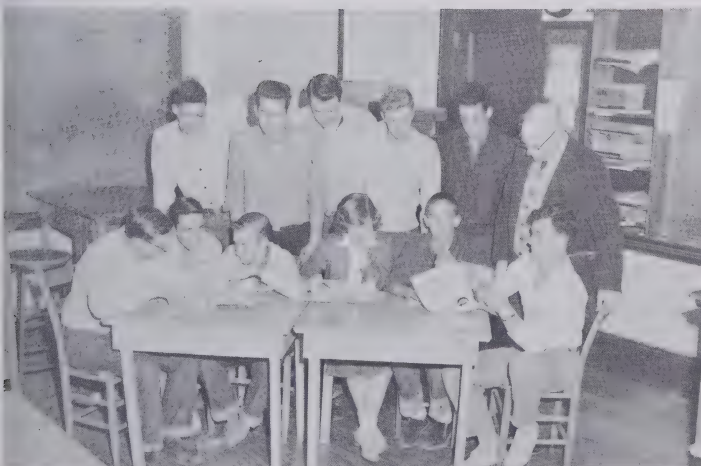

KEY CLUB

Leaders of the high school make up the Key Club. During the past year we sponsored the operation of the public address system at the athletic events, distributed Thanksgiving baskets, and collected toys for the Christmas toy drive.

DIVERSIFIED OCCUPATIONS

Through Diversified Occupations, we have the opportunity of working and learning business skills while attending school. We are students today and business men and women tomorrow.

We are the Future Homemakers of America.
We face the future with warm courage and high hope,
For we have the clear consciousness of seeking old and precious values.
For we are the builders of homes,
Homes for America's future.
Homes where living will be the expression of everything that is good and fair.
Homes where truth, love, and security and faith will be realities, not dreams.
We are the Future Homemakers of America.
We face the future with warm courage and high hope.

BAND

As the world without a song is dead, so the school without a music department is almost lifeless. The marching band creates a spirit at the football games plus a great performance at the half-time. This band also represents H. H. S. in many parades. The concert band and the chorus present music to many other high schools and render programs of different sorts. The music department participates in many contests and carries our school spirit to many towns and cities that otherwise would not recognize the name of Hendersonville High School.

Classmates, you now have the record of our life at H. H. S. as TIME came and went for us during the past school year.

May it serve as a reminder of all the things we did and the good times we had "around the clock."

"Auld Lang Syne"

Should auld acquaintance be forgot,

And never brought to min'?

Should auld acquaintance be forgot,

And days o' auld lang syne.
